

## The You and Me Collection: a multifunctional and complete set of benches and ping-pong tables

*RS Barcelona launches the new benches and finishes of its You and Me ping-pong table*

First came the standard ping-pong table (108 in). Then came the smaller-sized models (86.6 in and 71 in), so that you could enjoy the You and Me ping-pong table in any space, no matter how small. And now, RS Barcelona has added a new item to the collection: the **You and Me benches**.

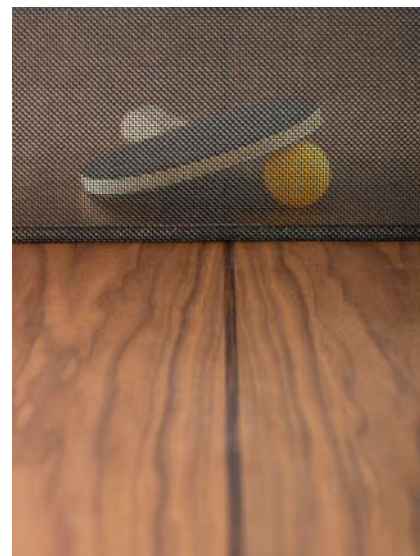

The benches come in 4 different lengths (86.6 in, 71 in, 47 in and the 20 in stool), in order to cater to all 3 models of the You and Me table. What's more, they come with cushions and additional upholstered covers, with options for indoor or outdoor use, ensuring optimum comfort while matching any space or setting.

In the You and Me collection of tables and benches there's time for everything. Time for children to have their breakfast as the clock ticks down for the start of school. Time to invite some friends around for dinner and wind down after a hectic day. There is time to make the most of the good weather and enjoy some barbecues, birthday parties and other outdoor celebrations. There's even time to get serious and make You and Me your work desk. And it goes without saying that there's plenty of time for ping-pong sessions too, because You and Me collection has been designed in line with the Intense Living philosophy of RS Barcelona products: to play with and experience to the fullest.

In addition to the benches, the You and Me collection also boasts a new table finish: the **Walnut** tabletop. This wood adds a touch of elegance and warmth to the table without affecting its playability.
