

## DelightFULL at ICFF 2016

*Hey New York, this design will make you feel brand new!*

*Stand 1120*

**One of the biggest trade shows in high-end luxury design is almost starting: the ICFF 2016, New York City. From 14th to 17th of May, DelightFULL will make your eyes shine with brand new design pieces and by coming together with some of the best design brands to keep up with the latest trends in the field. Let's celebrate design in the famous place of movie scenes. Hear it for DelightFULL!**

DelightFULL is trying to bring you something different this year. At ICFF 2016 in New York, the brand will show some surprises to the visitors, clients, and people just like you: passionate for unique design.

The lighting brand is now at its 7<sup>th</sup> year and the visionary team behind DelightFULL's universe has found the biggest way to celebrate such iconic number of age by teaming up with several design brands. So, prepare yourself to find amazing furniture design just around the corner because we're talking about luxury brands like: Boca do Lobo (2321), Brabbu (2126) and Koket (2016).

The DelightFULL team will be at Stand 1120 waiting to receive you and ready to take you on a tour around the brand partners, meet the new pieces, and follow the highlights.

When a collection is really good and exclusive it doesn't need much to stand out. You just know by the first sight that you want a piece of it! And that's why DelightFULL found their own way to mark a presence at ICFF 2016, by not having just one space but many spots though the grounds of one of the greatest design shows in New York. The result? A participation that is just like them: creative, unconventional and a little crazy! Because everyone who visits our partners should have cool lighting. And because our clients are our friends, we want them to have the best experience at the tradeshow. And that, we promise you. Come on!

BRIGHTEN YOUR WORLD

## MEET THE NEW PIECES

### Hendrix Suspension Lamp

Inspired, redesigned in the nostalgic vinyl player, a tribute to the jazz music and one of the most creative and influential musicians of the 70's, we present you Hendrix ceiling lamp. This singular luminaire captures your attention letting you feel the acoustics of the bright Hendrix guitar and reminding us the high fidelity audio reproductions, the acoustic sound passing to a melody of beautiful effects and reflections on any sitting room and wide spaces, specially for low ceiling heights.

### Donna Table Lamp

This noble and elegant piece boasts a patterned composition of straight brass tubes in rhythm with the irregular shades of the Estremoz white marble, defining the jazzy saxophone melody creating a beautiful match for the classiest environments. Donna table is the luminaire inspired by the Donna Lee melody, played by the most nostalgic jazz composers such as Jaco Pastorius and Mile Davis. The warm light passing through the golden tubes makes every sitting room cozy and charming.

## MEET THE HIGHLIGHT PIECES

### Amy Floor Lamp

Amy is a tribute to the great British singer and songwriter. Outlined by the black of her hair and her round earring... The inside is in gold like her golden voice. The irreverent floor version is a reading lamp, perfect to enjoy with your favorite book at any setting. Handmade in brass and with lampshades in aluminum exactly like it was made in the 50's. A new design star.

### Matheny Chandelier

Ideal for a classic living room with a modern touch, Matheny stilnovo suspension lamp came to reinvent classic designs with a high aesthetic feeling. Its shape or dimension can assume a round, oval, square or rectangular format to suit just perfectly your dining table or living room. Composed by geometric golden tubes, it reflects the sophistication of a timeless iconic piece.

### **Atomic Table Lamp**

Experience the molecular design of Atomic table lamp. A spoton interpretation of the atomic age design. A set of 4 round spotlights, golden and black balls, all arranged in an abstract organic composition to enhance non-conventional molecular forms. Each shade evokes an amazing effect on the surface. Conceived for modern settings, this striking piece it can be ideally placed in a modern living room to surprise your guests, as well as in a modern lobby. A breathtaking design inspired in 50's legacy.

### **Coltrane Wall**

Merely mention the name Coltrane and you will feel a deep connection with innovation and the expressive music in Jazz. Taking these powerful connections created by John Coltrane our designers have created a monumental design that will withstand time. Up to 3 iron tubes, it makes a magical and a smooth lighting effect for architectural environments.
