## **Tronk Design to Launch New Collection at ICFF'16**

Cincinnati, May 10<sup>th</sup>, 2016-- Cincinnati-based furniture company Tronk Design will unveil a new collection of beautifully crafted products and new metallic color options at New York's International Contemporary Furniture Fair. This new Scandinavian-inspired collection is comprised of three stylish designs that seamlessly blend simplicity, function and elegance, including the Clarke Chair, the Ross Collection and the Evans Shelf System. This new line will be exhibiting at the Javits Center in booth 958 from May 14<sup>th</sup> to 17<sup>th</sup>.

This year, the four-day fair which showcases some of the world's most renowned and innovative designs; expects around 34,000 architects and designers in attendance. For their third ICFF appearance, Tronk will be doubling their showroom space and relocating to a more central location in booth 958 where the brand will be front and center.

"As with our other designs, both the Clarke chair and Ross tables have a minimalist approach to style, where sleek lines and clean shapes are the focus of attention. The Scandinavian inspiration and industrial flair cohesively come together to make statement pieces that are simple, functional and elegant," explained Tronk Design lead designer, Brad Musuraca.

Along with the Clarke chair and Ross table, the Tronk team will debut the Evans Shelving system; which is a versatile modular system that allows users to create their own unique display solution; as well as metallic gold and copper color options for their Hudson side table and Williams coffee table designs that give these pieces a bright touch of glamour.
