Brush Finish Added Premier SERIES

WELLBORN
CABINET, INC.
The Essence of Cabinetry

Starting July 11, 2016, the Premier Series will be offering a brush finish on the Maple wood species. This is a hand applied glaze using subtle brush strokes to overlay the paint, providing a depth to the finish that would not be seen with standard glazing. The glaze color is Fawn, which is a very light tan color. The brush finish will be available on the following paints: Crème, Divinity, Glacier, Pebble, Sandstone and Vanilla.

Enhancements of Finish Techniques

Vintage

Wellborn Cabinet, Inc. is increasing the level of our finish techniques. Finish techniques add distressing to create pieces that appear aged or antiques. Choosing a character wood species will help enhance the distressed appearance. Finish techniques are available on Cherry, Character Cherry, Maple, Character Maple, Oak and Hickory in the Premier Series. The heavier distressing finishing technique has been available to order as of **November 2, 2015**.

New! Porcelain Paint

Wellborn Cabinet, Inc. is excited to announce that beginning on **April 4, 2016**, we will be offering our Porcelain paint in Wellborn's Premier Series. Porcelain is a white paint with grey undertones. The paint will be available on Maple, Character Maple, Oak, Hickory and Medium Density Fiberboard. It will also be available on Cherry and Character Cherry with finish techniques. White is a transitional color that can evolve with time, any color tone, or hue palette. Porcelain is clean; appealing to the eyes; refined yet organic; like a gallery wall waiting to be decorated by any one at any time entailing truly classic charm.

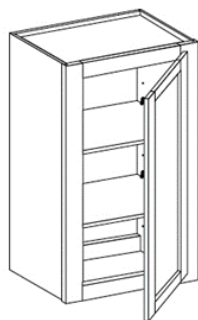

Wellborn will be adding 13 more stains and paints with glaze combinations on April 4, 2016
