## About Talented

Talented is a British, sustainable tote bag brand led by founder and internationally renowned illustrator, Julia Gash. Established in 2012, we collaborate with emerging designers each season to create a fresh and dynamic range of printed, cotton canvas tote bags and ethical giftware. We are passionate about print and celebrate the humble tote bag as a work of art!

## About Julia Gash

Company Director and chief designer, **Julia Gash** has over 25 years of continuous, business experience. She was awarded a fellowship from the Royal Society of Arts for her contribution to the arts and ethical and sustainable commerce in 2014. She was recently recognised as one of the most dynamic women business leaders in Britain and won the UK Director of the Year for SME Businesses 2014.

Working as a directional designer throughout the 1990s, Julia's quirky and whimsical style of illustration has found its home in Cityscapes: playful, bespoke map like drawings of cities and buildings around the world, which enable people to connect with place.

## About Cityscapes

Talented founder and head designer Julia Gash creates a collection of customizable Cityscape products. Her unique, map-like illustrations fuse her love of travel and art and offer an honest and playful interpretation of the world in which we live. Cityscapes can be customized to include a company's building, neighbourhood, city and region and are screen printed onto natural canvas and denim bags together with a wide range of home and giftware products.
