

# Eco-Leather Concealed Carry Holsters

## **Main Characteristics:**

- Carefully designed and manufactured to carry on day-to-day use close to your body.
- Reinforced stitching.
- Safe, easy and comfortable to use as concealment.
- Water and sweat proof, resistant to the daily use.
- Combines the very soft texture of treated ECO-leather with the precise hold of a flexible metal clip.
- Suede lined interior for a greater protection of the gun surfaces.
