ANI-LOGICS OUTDOORS® - SHOT SHOW BOOTH #4342

ATTRACT, HOLD, PATTERN, AND GROW TROPHY BUCKS

Ani-Logics Outdoors® specializes in veterinarian-formulated deer feed and supplements designed to promote deer health and antler growth and at the same time, offer amazing attraction. To learn more about the science behind our products please visit www.anilogics.com.

TRUSTED BY HUNTING PROFESSIONALS

"Ani-Logics™ is unique, because no one has put the science into supplements like these guys have. They have combined all the best things in a deer feed. Palatability is through the roof! And it helps the health of the herd!"

- Mark and Terry Drury, Drury Outdoors

ANI-LOGICS™ EXCLUSIVE TECHNOLOGIES MAKE THE DIFFERENCE

ANI-SHIELD TX4® TECHNOLOGY

Ani-Shield TX4® is a concentrated deer "power pack" that contains vitamins, chelated minerals, digestion promoting probiotics, and healthy essential oils.

Invisi-Scent® Technology

Invisi-Scent® offers incredible, invisible attracting power that lures deer in, holds them on your hunting ground, and patterns deer to frequent a site.

THERE IS NO OFF SEASON

Don't leave your deer's health and growth to chance. Whitetails need consistent nutrition all year long to reach peak performance. Implementing a year-round nutrition program can give your deer herd a supplemental edge. Ani-Logic's team of veterinarians and scientists worked to develop supplements and an easy to follow feeding schedule to help you grow trophy bucks.

SUPPLEMENTS

(GOLD®, JAC®, SPIN, AND ANI-PROTEIN BLOCK 365™)

Provide critical nutrients that work strategically together to meet your deer herd's nutritional needs. Gives your deer herd year-round nutrition.
