

The Rising Eagle S&W 629 by ALTAMONT®

This is a limited edition, custom Smith & Wesson 629, .44 Magnum, designed and engraved by Merlin Enright. An ALTAMONT® Exclusive - 1 of 300, Collector's Edition. The spectacular deep relief engraving features American-style scroll, stippled background removal and carved Eagle motifs. The cylinder and even the flutes have full deep relief scroll coverage. On the left side plate is a dramatic eagle in flight and on the right is a powerful eagle head. Countless hours of design and craftsmanship are poured into this remarkable firearm. This is bold American engraving at its finest. The powerful impact it leaves is unforgettable.

This stunning piece is complemented by custom engraved, high grade American Walnut grips, made exclusively by ALTAMONT® for this special edition. They feature fine line checkering, and precisely detailed scroll engraving that matches the steel.

A custom presentation box is also available as an optional add-on for \$199. USA Made. The box includes a Super Rosewood inlay custom fit to the Rising Eagle S&W 629. Choose from American Walnut or Cherry, with solid wood lid or with glass lid.

An engraved Certificate of Authenticity with the gun edition number is included with your purchase.
