

## **Ruger Mark IV FALCONIA® by ALTAMONT®**

ALTAMONT® just recently released a FALCONIA® style grip for the Ruger Mark IV. This family of handgun grips offers an ideal combination of synthetic and natural materials. Combining the advantages of consistent, affordable production with a natural look and feel, this grip is reliable and distinctive. FALCONIA® grips are now available for multiple frames, including S&W J Round, S&W K/L Round, and Ruger Mark IV.

These grips join Altamont's extensive offering of handgun grips, rifle stocks, accessories, and metal engraving. All made in America and available on their website at ALTAMONT.CO.COM.
