OTIS ANNOUNCES NEW PRODUCTS FOR 2019

Lyons Falls, NY: Otis is excited to announce its new products for 2019. These products will debut at the 2019 Shooting, Hunting, Outdoor Trade (SHOT) Show on January 23-26, 2019 in Las Vegas, NV.

Leading the lineup is Otis **Mission Critical MC-10 Full Auto Lubricant Brush Applicator**. The MC-10 Lubricant is a high performance synthetic lubricant that provides ultimate protection on slides, slide rails, bolt, bolt carrier, firing pin, etc. MC-10 withstands extreme conditions, will not freeze, burn or carbonize and is safe for all gun metals and finishes. This one-of-a-kind applicator comes in a compact pen-style and features a brush applicator for precise and smooth control of lubricant right where you need it. Simply click the pen and lubricant dispenses into the bristles for an even application. The Mission Critical MC-10 Full Auto Lubricant Brush Applicator retails for \$14.99.

Otis is also introducing **Lead Remover Hand Wipes**. These essential wipes provide a quick and easy way to remove lead and other harmful metals and residue from your hands and face without the use of soap and water. Available in a retail dispenser of 50 individually packaged wipes or a 40 count canister starting at a retail price of \$10.99.

An additional new product is a three pack of reusable **Microfiber Gun Towels**: A multipurpose towel great for use on firearms, knives and optics without leaving behind lint or debris. MSRP for the three pack is \$14.99.

Otis is also announcing a new **Armorer's Pistol Tool**. This four-in-one tool is designed to service and maintain semi-automatic pistols. It includes a pin punch, 3/16 nut driver, flat head screwdriver/scrapper and nylon end brush for disassembly, installing aftermarket sites, removing trigger connector and brushing off debris. It retails for \$19.99.
