Inter Ordnance will be attending the 2019 Shot Show in Las Vegas. This year we will be featuring our new line of AR15's chambered in 5.56x45mm, 300 BLK and 9mm and come in either pistol or carbine platform.

We will also be featuring various firearms in multiple finishes. Finishes include a proprietary Teflon Ceramic Dry Thin Film Coating (PTFE) the comes in Flat Dark Earth or Olive Drab Green. Another finish that will be featured is a Bright Anodized with Cerakote Clear. This process consists of Red, Blue, Pink, Purple and Teal.

Both of these processes will be available for both pistol and rifle platforms in all available calibers.

Inter Ordnance will also be showcasing our new line of high quality imported Turkish shotguns. These shotguns come in various platforms and come in either wood or synthetic furniture.
